PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b) & (f)

Dear Sir:

Please accept this petition to revive the above noted patent application, which was unintentionally abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii) for failure to timely notify the Patent and Trademark Office of the filing of an application in a foreign country. The present application has been internationally filed in at least the PCT and Applicant has just discovered that a "Request to Rescind Previous Nonpublication Request" was not timely filed.

In the event that the above-referenced patent application has become abandoned for this error, please treat this paper as a Petition to Revive the application under 37 C.F.R. 1.137(b) & (f). A check in the amount of \$1,300.00 is enclosed for the Petition fee.

The delay in filing the Request to Rescind our prior Request and Certification for Non-Publication under 35 U.S.C. 122(b)(2)(B)(i) which may have resulted in the abandonment of the present application was unintentional and all of the above acts were performed without deceptive intent.
